> Ceo's Greetings

B.M.K. Co., Ltd. was established in the year 2004, having senior professionals with full of steel international trade experience to provide the professional service for the customers, specialized in import and export all kinds of iron and steel, raw materials and equipments.

With consolidated strong relationship with more than 28 esteemed steel manufactures in overseas and with widely cooperation with many large and middle scale enterprises over the world, we enjoy the markets covering all of the world.

We could help our customers to procure overseas steel products from most suitable mills, at competitive price with good quality and best service.

We could help to introduce your iron ore, steel scrap, billet/slab as well as steel products and equipments for foreign market.

We also handle triangle trading business for all steel materials and products.
